

In this particular activity clients will be assisted in developing his/her CV or resume and be given advice on how to be a well-prepared candidate for a job interview. Various vacancy opportunities have been offered mainly by businesses and the NGO sectors to IRS Program to look for employees with disabilities to work with them. IRS also acts as a coordinator between employers and employees with disabilities.

Job seekers with Disabilities are in a Meeting and Advice Giving by H.E Yi Veasna before being Referred to a Garment Factory

The employers both NGOs and business sectors who have been previously and currently providing job opportunities to job seekers with disabilities through IRS Program are;
